

Basic Five Courses

The Five Elements Filled with Energy of All Things

【FACIAL】

- **Moku / Tree** . . . A tree that grows branches and has lush foliage

Make your skin appear healthy and young. A fine touch that works on facial muscles and makes you feel deeply relaxed leads to plump and elastic skin with high skin density.

.....

- **Hi / Fire** . . . Burning flame, a symbol of dazzling beauty

Recommended for those who want to enhance skin brightening effect.
Using a scrub and mask on dull skin will make the skin clearer and healthier.

.....

- **Tsuchi / Earth** . . . Earth that creates and nurtures all things, the birth of new power

Recommended for all generations, especially for those who feel tired.
A mask using charcoal removes the stress of your skin and reset to clear skin.

.....

- **Kin / Gold** . . . Awakening and shining gold warmed deep underground

Recommended for those who want a vibrant and lively skin.
Products full of energy will be used lavishly, leading to plump, elastic and shiny skin.

.....

- **Sui / Water** . . . Water, the source of all life, an irreplaceable element

For those who are concerned about dry skin. It leads to fresh and soft skin while adjusting the moisture balance. Recommended for those who are concerned about bad conditioned skin in the change of seasons.

.....

Each course 60minutes ¥33,000 / 90 minutes ¥43,700

【BODY】

- **Moku / Tree** . . . A tree that grows branches and has lush foliage

The soft scents of Japanese lavender and Japanese peppermint soothe your mind and relieve your stress, helping to maintain the balance of mind and body.

.....

- **Hi / Fire** . . . Burning flame, a symbol of dazzling beauty

While enjoying the refreshing scent of yuzu, your whole body is polished with a fine scrub to even out skin tone, leading to a smooth and youthful complexion.

.....

- **Tsuchi / Earth** . . . Earth that creates and nurtures all things, the birth of new power

The clear scents of Japanese cypress and Japanese peppermint regulate your breathing and make you feel deeply relaxed. A careful treatment will be offered, applying comfortable pressures according to your physical condition and mood of the day.

.....

- **Kin / Gold** . . . Awakening and shining gold warmed deep underground

Gentle, enveloping comfort in a relaxed rhythm. The fragrance created by ANNAYAKE only for Okura Spa enhances relaxation to release you from everyday fatigue.

.....

- **Sui / Water** . . . Water, the source of all life, an irreplaceable element

Long strokes using the therapist's hands and arms and various pressures work comfortably to increase energy. The scents of ginger and Japanese lemon give vitality to your heart.

.....

Each course 60 minutes ¥31,000 / 90 minutes ¥41,000

【Healing / Hot Stone Treatment】

Stones with power of nature are used for this menu. The warmth gently transmitted from the warm stones and the therapist's technique will alleviate your fatigue and stress.
