Beyond Your Dreams: A Christmas Night to Remember at The Okura Tokyo

Presenting our first-ever premium accommodation packages for Christmas 2026,
with stays in our most luxurious suites
—Now Accepting Reservations—

TOKYO, Japan—(September 2, 2026)—Ahead of the 2026 Christmas season, The Okura Tokyo is offering three exclusive stay packages that promise to deliver an unforgettable holiday experience with loved ones. Designed under the theme ‘Beyond Your Dreams: A Christmas Night to Remember,’ these packages are staged in The Okura Tokyo’s finest suites, including the first time an accommodations plan has been made available for the topmost Imperial Suite since the hotel reopened in 2019.

The ‘Private Sky Christmas’ package centers on the Imperial Suite. This is The Okura Tokyo’s premier suite located on the top two floors (39th and 40th) of The Okura Prestige Tower. At 590 square meters, it is one of the largest of its kind in Japan. Guests will be greeted by a Christmas tree over two meters tall, soaring high within the two-story atrium and setting the stage for a joyful Christmas experience of unparalleled luxury. Included with the package are a private nighttime helicopter sightseeing tour for an incomparable view of Tokyo’s city lights, a private fireworks display set off exclusively for guests, a lavish multicourse dinner to be enjoyed in the suite, and in-room spa treatments tailored to each guest. The remaining two packages center on the highly popular Corner Suites, which measure approximately 100 square meters and are located on the 37th to 40th floors of The Okura Prestige Tower. The ‘Silver-Screen Christmas’ package (Attachment 2) imagines a night experienced as a movie star. Guests will begin the evening with a head spa and professional hair and makeup session, before being whisked out in a chartered car to enjoy Tokyo’s famous winter light displays—accompanied, of course, by a dedicated photographer to capture every magical moment on camera. The ‘Memories of Christmas’ package (Attachment 3) is designed especially for families. It features an experience that promises to become a core memory for any child: a visit by Santa, who will bear the hotel’s signature Christmas cake and any gifts prepared beforehand directly to the suite. Shaped by The Okura Tokyo’s superb heartwarming hospitality, these packages promise an enchanting and utterly memorable Christmas for guests and their loved ones.
